tant bearing on other kinds of bonds issued by counties. The legal opinions also held in March, 1871, to subscribe annexed will convey to the mind of the common reader a better understanding of the bearings and effects of the decision than the reading of the decision process. It is not at a registration of 488.

The election in Davis township was also held in March, 1871, to subscribe \$10,000 for the completion of the L. & \$10,000 for the completion of the L. & \$10,000 for the completion of the L. & St. L. railroad. There were registered as voters 218 persons, of these 113 voted for the proposition, and 23 against it.

This is done, all is yet safe if not, I fear a collapse. Respectivity, J. J. MITCHELL. P. S.—Friend fluores.—Your county mast and scales were lacking. As we announced last week, Mr. T. M. China, of Auliville, has supported the decision and Mount Hope, and arge them to do what is a grain, near the depot. The weighmaster of these scales, John Walk, can always be found, it not at the scales at the depot, near by.
